## Investment objective

To achieve a combination of income and capital growth (total return) by investing mainly in investment-grade bonds of issuers in OECD countries. Investments may include mortgage-backed securities (MBS) and asset-backed securities (ABS). The Sub-Fund primarily invests in bonds and currencies (indirectly via financial derivative instruments ("FDI")). The active currency positions implemented by the Sub-Fund may not be correlated with the underlying assets (i.e. bonds) of the Sub-Fund.

Specifically, the Sub-Fund invests at least 67% of assets in investment-grade bonds that are either issued or guaranteed by OECD governments or supranational entities (at least 60% of assets), or issued by corporate entities. There are no currency constraints on these investments.
