As global life expectancy prolongs and the costs of living continue to rise, it is not easy to properly plan for the future of oneself and his beloved ones. Hong Kong Life understands the needs of customers and announces the launch of Wealth Accelerator Series, to facilitate a comprehensive and sustainable wealth succession solution for customers. This year, Hong Kong Life has further optimized their products by launching the Wealth Accelerator Multi-Currency Plan, and the Wealth Accelerator Series has also received various awards from local media.

The currency conversion function of Wealth Accelerator Multi-Currency Plan allows the change of policy currency to HKD, USD, RMB, AUD, CAD, EUR, GBP, SGD or NZD<sup>1</sup>, providing customers with greater financial flexibility for their personalized needs, such as children's study overseas, foreign property investment and risk management on wealth, while also helping customers seize global market opportunities and enhance their wealth appreciation potentials.
